The Tripod Quick Canopy is a sturdy 3-legged triangular instant set-up sun shelter that is great for parks, beaches, backyards, sideline sports, outdoor work crews, etc.

The Tripod Quick Canopy is 9.5 x 9.5 x 6.25 (ft.) for 62.25 square feet of sheltered space. An adjustable back pole allows quick and easy customization of shade. It features breathable polyester material with UPF 50 sun protection and a removable sidewall for added shade. It is built with integrated steel and fiberglass poles and a side-pull hub system for an easy, instant set-up design. The adjustable/removable tension straps keep the sun shelter stable in the wind or can be removed and placed into the built-in pockets. The Canopy includes sand pockets, guide-lines, and stakes for stability and packs small into a carry bag for easy transport.
