Camouflage Privacy Shelter

- Blends in with natural surroundings
- Convenient camo carry case included
- Quick and easy set up and breakdown
- Opaque material for complete privacy
- Dimensions: 4'x4'x6.6'

The Camouflage Privacy Shelter is a sturdy, collapsible shelter with a lockable zipper and opaque material for complete privacy. The camo option offers the same quick connect joints as the original Privacy Shelter for easy set up and folds into a convenient camo shoulder carry case after breakdown.

## LIGHTWEIGHT

Weighing just 7 pounds, the camo shelter is easy to transport and is comfortably handled by one person.

## EASY

With quick connect joints, set up and breakdown is simple and fast.

## PRIVATE

The opaque camo material affords complete privacy, even in sunlight, and 8 pins and 4 guidelines keep it secured.
