RS1-3Pack

Liquid Waste Bags

- Toilet paper included with each bag
- Innovative design
- Works for men, women, and children
- Ten year shelf life

The patented "Handle Tab" bends back to form a sturdy opening for liquid waste through a one-way valve, capturing up to 20 oz. of liquid waste and converting it into an odorless gel. The RESTOP®1 utilizes the same proprietary blend of polymers and enzymes as the RS2 to transform the liquid into a gel.

EASY

Designed for men, women and children, the patented "Handle Tab" on the RS1 makes female use of the bag simple and easy.

CONVENIENT

RS1 bags are lightweight and convenient enough to fit into pockets, backpacks, gloveboxes, and purses.

CLEAN

Proprietary blend of enzymes and polymers instantly gels and begins breakdown of waste.
