

RESTOP®

RESTOP PORTABLE PRIVACY SHELTER (RS500)

The RESTOP PRIVACY SHELTER is a sturdy, collapsible shelter, complete with tie down ropes, anchor stakes and shock-corded poles to pop up quickly and easily. Then, it simply folds back down into its own small carry bag.

PORTABLE The PRIVACY SHELTER can be easily carried in its compact bag with shoulder strap.

EASY Shock-corded poles make set up and packing quick and hassle-free.

ADAPTABLE The PRIVACY SHELTER is not just a tent. It can also be used as a personal shower and/or changing room.
