# RS-ZE

## Extreme SC™ SELF - CONTAINED HOT SHOWER

- Industrial stainless steel construction for extra durability
- Heats to about 100 F in 5-10 minutes
- Simply fill with water and place on included stove
- Multi-use 10,000 BTU heater and cooking stove collapses for transport
- Sealed 1-piece metal hand pump pressurizes system quickly without batteries
- 6-ft shower hose with water-conserving showerhead
- Industrial grade brass on/off valve controls water-flow

With industrial grade stainless steel construction and rugged hand-pump operation, Zodi™ Extreme™ has been the #1 hot shower of choice for back-country use for years. The 10,000 BTU multi-purpose steel stove completes the Extreme™ as a truly self-contained hot shower. Includes water temperature indicator and a shower pole holder for extra convenience. (Propane tank and shower pole not included)
